#### SAGE AND SULPHUR

#### DARKENS GRAY HAIR

Brush this through faded, lifeless  
locks and they become dark,  
glossy, youthful.

Hair that loses its color and lustre,  
or when it fades, turns gray, dull  
and lifeless, is caused by a lack of  
sulphur in the hair. Our grandmother  
made up a mixture of Sage Tea and  
Sulphur to keep her locks dark and  
beautiful, and thousands of women  
and men who value that even color,  
that beautiful dark shade of hair  
which is so attractive, use only this  
old-time recipe.

Nowadays we get this famous mix-  
ture by asking at any drug store for  
a 50 cent bottle of "Wyeth's Sage  
and Sulphur Compound," which dark-  
ens the hair so naturally, so evenly,  
that nobody can possibly tell it has  
been applied. Besides, it takes off  
dandruff, stops scalp itching and fall-  
ing hair. You just dampen a sponge  
or soft brush with it and draw this  
through your hair, taking one small  
strand at a time. By morning the  
gray hair disappears, but what de-  
lights the ladies with Wyeth's Sage  
and Sulphur is that, besides beau-  
tifully darkening the hair after a few  
applications, it also brings back the  
gloss and lustre and gives it an ap-  
pearance of abundance. Advertise-  
ment.

#### FINANCES and MARKETS

[Republican A. P. Leased Wire]

NEW YORK, May 8. (Wall Street).  
The broad and active demand on  
the resumption of trading today had  
for its chief incentive the announce-  
ment that the government at Wash-  
ington had decided to accept the sub-  
marine concessions contained in the  
recent German note. There were  
other favorable developments includ-  
ing the government report on winter  
wheat which disclosed improved con-  
ditions over a month ago, large traf-  
fic gains by western transportation  
lines and further copper advances.

In the early trading Mexicans were  
irregular to heavy as a result of over-  
night advices from across the bor-  
der but recovered in these issues  
materially reduced losses. In fact  
Mexican petroleum was the strong  
feature in the final hour, closing with  
a small net gain. The Texas company  
was also improving substantially.

During the mid-session rails be-  
came very active, notably the Pacific,  
St. Paul, Atchison, New York Central,  
and Reading. The inquiry for  
these stocks ceased almost as sud-  
denly as it began, however, and little  
of their gain was retained.

U. S. Steel and other industrials  
including the war contract division  
were less active and more irregular  
than usual. Bethlehem Steel closed  
at a net advance of five points after  
losing nine points.

Total sales of stocks amounted to  
\$25,000 shares.  
Bonds manifested increased firm-  
ness on the demand for railroad is-  
sues. Total sales, par value, \$2,690,-  
000.

U. S. Bonds were unchanged on call.

#### Tempe News Notes

### AGED TEMPE LADY PASSES TO BEYOND

After many months of feeble and  
ill health, Mrs. P. S. Empey at the  
age of more than seventy-eight years,  
died yesterday forenoon at the home  
of her daughter, Mrs. W. S. John-  
ston. Mrs. Empey came to Arizona  
41 years ago and after living for  
short times at Prescott, Jerome and  
Florence, she settled in Tempe with  
her family and has since made this  
her permanent home, until advanced  
age overcame her, always being an  
ardent church worker.

The death of Mrs. Empey is  
mourned by a wide circle of friends  
in Tempe and vicinity. She is sur-  
vived by her daughter, Mrs. Johnston  
and a son Frank E. Empey, both of  
whom make their home in this city.  
The funeral will be held this after-  
noon at four o'clock from the John-  
ston home on Maple avenue.  
Rev. C. N. Hand of the Congrega-  
tional church, reading the service.  
The remains will be laid to rest at  
Double Butte cemetery.

K. P. BIG TIME TONIGHT  
Just once a year does roll call  
night come for Knights of Pythias  
and Pythian Sisters and the two  
lodges have consolidated their efforts  
for one big celebration to be given  
in the Old Federal hall this evening.

A pleasing program of music and  
other features has been arranged and  
the evening will be topped off with  
a big banquet.

Y. W. C. A. MEETING  
The meeting of the Young Woman's  
Christian Association at the normal  
auditorium Sunday attracted a large  
congregation and the address of  
Judge B. C. Stanford of the Superior  
Court of this county proved highly  
interesting and instructive. Miss Cor-  
inth Clausen, general secretary of  
the Y. W. C. A. of the normal, and  
Miss Helen Harrington, each gave  
very interesting talks concerning the  
work of the association.

COTTON IN IMPERIAL  
More than a hundred thousand  
acres of cotton, the most of it of  
the short staple variety, is being  
grown in the Imperial Valley of Cal-  
ifornia this year, according to E. W.  
Hudson of the department of agri-  
culture who returned to Tempe Sun-  
day. Mr. Hudson spent the greater  
part of last week in Imperial and he  
is greatly enthused over the im-  
mense acreage of cotton the Califor-  
nians have secured. In speaking of  
the local situation Mr. Hudson said  
that there are probably about ten  
thousand acres of long staple cotton  
in the Salt River Valley and he is  
confident that the growers will get  
a big price for their lint this year.

Price quotations received yesterday  
placed the mark for the best grade  
of cotton turned out of the valley  
gins at better than thirty-three cents  
per pound and he is quite confident  
that a high market will be main-  
tained throughout the coming season.
